Re: Interconnection, Unbundling, Resale and Collocation Agreement negotiated by  
BellSouth Telecommunications, Inc. and MCImetro Access Transmission  
Services, L.L.C. dba Verizon Access  
Docket No. 2005-276-C

Dear Mr. Terreni:

On November 15, 2006, BellSouth Telecommunications, Inc. and MCImetro Access Transmission Services, L.L.C. dba Verizon Access submitted an Interconnection, Unbundling, Resale and Collocation Agreement to the Public Service Commission of South Carolina. The Agreement has been approved pursuant to 47 U.S.C. §525(e).

The letter submitting the Agreement to the Commission, however, inadvertently referenced an old MCI arbitration docket (97-375-C) when it should have referenced the new MCI arbitration docket (2005-276-C).

Accordingly, please accept this letter as: (1) notice that the interconnection agreement submitted on November 15, 2006 in Docket No. 97-375-C (ID Number 182848 in DMS) should have been submitted in Docket No. 2005-276-C and; (2) a request that the Commission post this letter, as well as the November 15, 2006 submission, under Docket No. 2005-276-C on the Commission's website and note this matter as being closed. Counsel for MCI and the Office of Regulatory Staff join in this request.
